

Suryanto Ray S Panjaitan

BACK-END DEVELOPER

EDUCATION

Del Institute of Technology
2019, Software engineering
study program (GPA 3.41)

PROFIL

I am a sixth semester student at IT del. I develop my skills by exploring more, asking questions and taking courses. I really like working in a team, solving problems and sharing knowledge. I am very interested in becoming a web developer and building various websites. I am a person who likes to learn new things which can affect my technical ability and soft skills.
